Royal

Concentrated Detergent With Controlled Suds For Automatic Washers

DEFIANCE ROYAL is a low foaming, quick dissolving, biodegradable laundry detergent developed for industrial and institutional automatic washers. This “complete detergent” is a blend of builders and water softening agents and performs equally well in soft or hard water. *Defiance Royal* needs no water conditioners or brighteners and contains corrosion inhibitors to prolong the life of the machine.

DEFIANCE ROYAL is a wonderful general cleaner for woodwork, porcelain, glassware, aluminum, walls floors, ranges, refrigerators, etc.

Features
