GLORENE

The All Purpose Silicone Cleaner and Polish

Defiance Glorene is an all purpose cleaner and polish that is excellent for all surfaces. Glorene repels finger marks, dirt, dust, and other undesirable grime. Glorene leaves the surface clean and slick causing wiping cloths to literally "glide" over smudges and dirt coated surfaces, so they can be quickly and easily restored to that "just new" look.

Defiance Glorene can be used on any smooth surface such as windows, mirrors, plexiglass, computer screen, formica table tops and counters, stainless steel fixtures, showcases, and all types of plastic surfaces. Glorene is safe to use on any shiny surface.
