

Davene

So. . . easy on the hands

Defiance Davene is a lightly scented, highly effective synthetic detergent for hand washing of dishes, glasses, and pots and pans. Davene emulsifies and floats away dirt, soil, or grease in a jiffy. There is never any hard water scum or film - which insures superior cleaning. Free rinsing, and quick drying. It's pH is neutral. No harsh ingredients to irritate skin.

Features:

- Formulated for performance
- Biodegradable
- Economical
- Rich Suds
- Concentrated
- Disperses Soil Quickly
- U.S.D.A. APPROVED

Directions:

For dishes and glasses - one to two teaspoons of Davene in water depending on the amount of dishes - wash, rinse, and drain.

In addition to cleaning dishes, glasses, pots and pans, there are hundreds of other uses for Davene, such as cleaning trucks and automobiles, cleaning upholstery, cleaning rugs, cleaning dairy and food equipment, - cleaning leather, cleaning vinyl, etc.

Packaged in 55 and 30 gallon drums, 5 gallon pails, and 4x1 gallon cases.
