

## UNIQUE

Defiance Unique is a heavy duty cleaner-degreaser for use in food, industrial, transportation, and health care areas, or anywhere stubborn greasy oils and dirt are found. Defiance Unique's positive emulsion cleaning system provides excellent performance and safety. Defiance Unique quickly cuts through encrusted grease, oils, and industrial soils, thoroughly dissolving stubborn films for easy removal. Use Unique in mop and bucket applications, automatic scrubbers, spray bottles, etc.

### Features:

- Multi-Purpose cleaner / degreaser
