

WAXON SWEEPING COMPOUND

Waxon Sweeping Compound is blended with waxes which will not deteriorate asphalt tile or waxed surfaces. Instead, it adds to the beauty of the floor. It is safe to use on resilient floors, asphalt tile, rubber tile, cork tile, mastic linoleum and waxed wood floors. Waxon helps to maintain the full beauty of the floor with its velvet like texture. With Waxon's superior ability to absorb dirt, it will give your floor a beautiful shine for years to come.

Features:

- Does not contain grit or sand
- Red coloring will not stain
- Blended with waxes
