

## Royal

Defiance Royal is a low foaming, quick dissolving, biodegradable laundry detergent developed for industrial and institutional automatic washers. This "complete detergent" is a blend of builders and water softening agents and performs equally well in soft or hard water. Defiance Royal needs no water conditioners or brighteners and contains corrosion inhibitors to prolong the life of the machine.

### Features:

- Economical
- Contains optical brighteners
- Pleasant fragrance
- Contains enzymes for blood and stain removal
- U.S.D.A. Approved

### Directions:

- For front loading machine: Use 1/2 cup of Royal Detergent per load.
- For top loading machines: Use 3/4 cup of Royal Detergent per load.
